FEMALE LEADERS IN PHILANTHROPY

OUR MISSION... FLiP will engage and encourage the women in our community to become involved as philanthropists, as advocates and as mentors.

OUR PURPOSE... FLiP wants women to become actively involved in their community and in the critical issue area that affect women, children and families: Children At-Risk, Basic Needs & Self Sufficiency and Healthy Families.

Women's Leadership Initiative of United Way of the Ozarks

FLiP is a network of women helping women. We are dedicated to changing our community for the better, creating more positive outcomes. We are centered on the following:

- GIVE...** *Making investments that become impactful*
- ADVOCATE...** *Uniting our voices through United Way to public policy officials and legislators*
- VOLUNTEER...** *Connecting, hands-on, with our community*
- MENTOR...** *Developing and inspiring tomorrow's female leaders*
- NETWORK...** *Building relationships*
- EDUCATE...** *Building awareness and understanding of important needs and issues of our community.*

Join us today – lend your voice to support the concerns women care about the most.
