LIVE UNITED GIVE. ADOVcate. VOLUNTEER.

FEMALE LEADERS IN PHILANTHROPY want women to become actively involved in their community. Through FLIP, women have the opportunity to give, advocate and volunteer for critical issues that affect women and children. FLIP funds go toward the Backpack Program, Suit Yourself and Formally Yours.

VOLUNTEER SOURCE is an online volunteer referral clearing house. Volunteer Source connects people looking to volunteer with their passions. <https://volunteer.truist.com/uwoto/volunteer/>

HANDS ON FOR SENIORS is a United Way project made possible by a grant from the Greene County Senior Citizens Tax Fund that helps seniors with minor home repairs and clean up if the senior is unable to physically or financially get the project done. These projects are all done by community volunteers.

DAY OF CARING In August more than 1,800 volunteers from over 90 local businesses will complete 175 projects with United Way's 23 partner agencies and affiliated groups. This volunteer effort allows agencies to keep funds in their programs — where they have the greatest impact. Plus, it's an excellent way for individuals and employees to give back to their community.

Working Together to Build Strong Communities

United Way's community impact affiliate, **COMMUNITY PARTNERSHIP** promotes building resilient children, healthy families and strong neighborhoods & communities through collaboration, programming and resource development. Community Partnership addresses critical issues and finds solutions for improving lives.

UNITED WAY 2-1-1 connects those who need help with basic survival needs from health and human service agencies 24/7. It's a free and confidential lifeline. 2-1-1 can also find ways for you to volunteer time or resources. Dial 2-1-1, or 1.800.427.4626 from a cell or visit www.211.org.

LIVE UNITED®

LIVE UNITED® GIVE. ADVOCATE. VOLUNTEER.

United Way is committed to increasing the understanding of human needs and to mobilize resources to meet those needs.

United Way of the Ozarks, more than ever before, is working to address the community red flag issues, identified through our Community Focus report that face our community. Our Annual Campaign raises funds to support 40 programs in our 23 partner agencies and 8 initiatives to find solutions for those issues.

Our goal, along with our partner agencies, is to create long-lasting changes that prevent problems from happening in the first place. United Way volunteers study those critical issues and the agency programs that address them, then direct funds where they will have the greatest impact in finding solutions.

By **GIVING, ADVOCATING** and **VOLUNTEERING** you become part of the change. Together, as we **LIVE UNITED**, we can inspire hope and create opportunities for a better life for all in our community.

That's what it means to LIVE UNITED.

So **make a difference** by participating in your workplace campaign. Ask your company's Employee Campaign Manager about payroll deduction or how to give online at www.uwozarks.com.

Your contributions to United Way of the Ozarks work through 40 partner agency programs that address the following red-flag community issue areas:

- Access to Health Care – *Concentrating on providing appropriate behavioral counseling and necessary medications for the underinsured*
- Healthy Families – *Helps provide resources to build healthy lifestyles for families*
- Basic Needs/Self Sufficiency – *Focusing on providing literacy and economic education and providing the fundamental needs of food, clothing and housing*
- Safe Neighborhoods – *Concentrating on community safety and disaster relief*
- Successful Youth – *Building strong character education with positive role models*
- Children At-Risk – *Programs focused on those who cannot speak for themselves*

*“Your contribution to United Way of the Ozarks will help turn our community red flags into blue ribbons. Your generosity will touch families, friends and neighbors in ways you may never know. So, **GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED.** It will make for a better tomorrow for our community. Thank you for your involvement.”*
