**Congratulations!**

You've chosen a very special employer who cares about our community.

Your new employer helps fight for the health, education, and financial stability of every person in our community by supporting United Way of the Ozarks.

You, too, can be a *game changer*.

We invite you to join the fight by signing up to contribute through payroll deduction. Your support ensures that people here in the Ozarks have access to critically needed services.

Before you fill out the enclosed pledge form, please take a few minutes to look over our information. If you have any questions, we'd love to speak with you. Contact us at 417-863-7700.

We all win when we **LIVE UNITED**.

*Uniting partners to solve problems that no one organization can solve alone*

**Include United Way in your On Boarding process! Include this United Way brochure in your New Hire Packet and explain to your new employees how they can get involved with United Way in the workplace.**
